EDITOR'S NOTE

This edition of the Florida Agricultural & Mechanical University ("FAMU") Law Review is focused on tort claims. This is the second journal in our Fifth Anniversary series. The articles solicited for this journal is the culmination of two years' work. One of the articles in this journal is the subject of marked controversy and debate, addressing United States policy with respect to emergency preparedness. Our lead article is by Casinova Henderson and is titled *Hurricane Katrina Victims: A Claim in International Courts?* The 2009-2010 Editorial Board hopes that you enjoy this second journal in our Fifth Anniversary series. A heartfelt thanks goes out to the entire 2009-2010 Editorial Board and Staff Members because it was a pleasure working with all of you. Thanks for a great year and a successful journal.
